Can you guys make sure David sees this and coord's with 6 and 9 and/or designates someone? I know Chris Ruhl is there, but he's not in list...? I can call in if you want but am doing r8 RRT at 230 our time so there's overlap (guess I should push it back)...plus I don't know all that's going on in Durango, I could speak generally but would need some info if you want me to do it...? :)

Good morning all,

Im currently drafting the agenda for todays 4pm briefing on the spill. Please let me know who is available to be in attendance and give a brief report-out on your regions current activities.

Thank you
